TECHNOLOGY IS ART

Arteo is a meeting of **art and technology**. Arteo is beauty, originality and masterful performance. If we combine all this with **German precision**, which is supported by the most advanced technology, we will receive a product that is backed by **creativity, energy, action without pressure and unrestricted freedom of creation**.

Arteo draws inspiration from the **source of passion** – the interior of emotions, thanks to which also your interior participates in the meeting of **art and technology**.

IT'S ALL ABOUT DESIGN

Arteo is design in the **service of functionality**.

This is a conscious designing, which takes into account the natural needs of interacting with the perfect form, thanks to which we get a product, whose **synchronicity of laminate can be sensed by us with every step**. If we add to this a **wide range of colours, multidimensionality, perfect v-groove finish**, we will quickly find out that Arteo's floors and design are synonymous.

WITH ECOLOGY AT THE BASIS

Arteo treats ecology as a **conscious attitude**.

This is reflected both in offering safe and **fully ecological products**, which is **confirmed by many international certificates** and results from the **company's philosophy** – the passion of beauty applies not only to the product itself, but is a particular concern for the natural environment. It is an inspiration, a stimulus for creation, but **nature is treated with respect**. You can be part of this philosophy.

ORDER

SYNCHRONIZATION

This is a key word. It is not only to the fact that Arteo finds in nature ready solutions – bird keys, shoals of fish, the order of nature – which thanks to passion and technology are reflected in everyday life.

If you want to have your interior filled with **order, symmetry**, you want to rediscover harmony and order, you want to get the best out of nature, the answer to your needs is **Arteo**.

LIGHT AS A **FEATHER**

*Unlimited ways of arranging in any style.
Arteo... and everything is clear.*

PORTO OAK

49848 XXL, 49779 XL
