RETURNING
TO THE ORIGIN,
RESPECTING
THE ENVIRONMENT

ONE NATURE

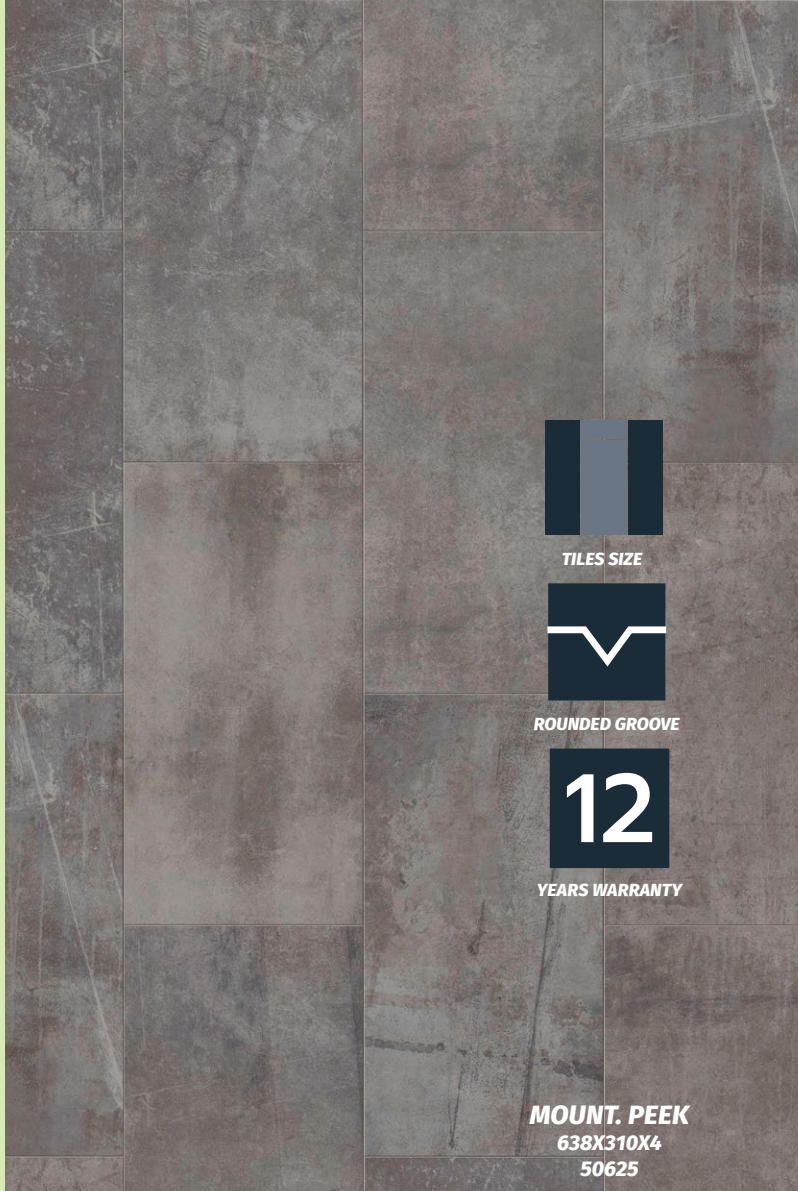

New Ceramin collection inspired by the environment around us. The range of colors of the One Nature collection reflects to the natural colors of the world around - starting from the raw stone, through the cozy shades of wood, ending with the smooth fuscous tones of the earth. Diversified color scheme allows you to blend in the tastes of the most demanding customers and the perfect color selection for any interior. The main assets are eco-friendliness, ease of care, the ability to recycle, variety of dimensions and water resistance. This collection, by the warm touch and pleasant ambient sound will let you feel closer to the nature inside your home.
